

5th Annual T/NN TRUCK SHOW

We made it to YEAR 5!

Presented by Amanda, Amber, family and friends!!!

Our vision became reality in August 2022 when Truckers Inn launched the T/NN Truck Show, a truck show focused on recognizing the drivers and the equipment that keeps America running. Our inaugural show was a single day affair. Three years ago, we expanded it to 2 fun-filled days. The feedback was amazing, so we are happy to announce the 2026 show will remain a 2-day event!

2026 T/NN Truck Show **August 28th & 29th, 2026** **Stearns County Fairgrounds**

We welcome you to join us in participating and growing this tremendous community event. The 2026 T/NN Truck Show will kick off on Friday afternoon and conclude Saturday night. This is a family event for all ages including a kids tent and live bands both nights. Friday, we feature the truck light show (trophy event). Saturday concludes with winner announcements and a trophy awards ceremony. Special feature from last year that we are bringing back is the Mid MN Motorheads Car Show. We are excited to build on the outstanding feedback from our first four years and make 2026 another exceptional success!

Our first year exceeded everyone's expectations and brought over 70 trucks to town for the event. In our second and third year, we added another day and trailers to all the fun! Trucking companies and owner/operators appreciated the opportunity to show their hard work and dedication in keeping these beautiful machines amazing while hauling all the stuff every person (and most pets) use daily. From the gas pump to the dinner table and (literally) everything in between, if you got it, a truck hauled it – and we are proud to support the industry in Sauk Centre for over 55 years!

Sponsorship funds are used for trophies, awards, permits, advertisements, entertainment, and other event related expenses. All spectator parking fees, and a portion of registration fees are donated to the T/NN Scholarship in an academic program. Once again, Alexandria Technical & Community College will be awarding this T/NN Scholarship to two students enrolled in the Truck Driver training program (makes sense, right?).

This event is well advertised on print (local and industry), radio and various social media platforms. For a spot on our 2026 T/NN Truck Show apparel, Big Rig sponsorship must be finalized by April 1st, 2026. For printing and distribution deadline purposes, all sponsorships must be finalized by June 1st, 2026. We welcome and encourage you to consider adding YOUR presence at this event. We look forward to working with our community and industry partners!

Please contact Amanda at 800-765-3491, ext. 13 or amanda@truckersinn.com to learn more about this opportunity to be part of this event and our community.
